

**ADDENDUM TO CELL PHONE/ELECTRONIC DEVICE POLICY**  
**EFFECTIVE IMMEDIATELY**

- There will be no electronic devices permitted on school grounds other than cell phones.
- Students upon arriving to school are to put their cell phones in their locker immediately. Students are responsible to provide a lock and make their locker secure.
- If you have a locker that is not secured after you lock it, then the school will provide a locker that does lock. If that is not possible then the student must submit their cell phone to the office, sign it in, and pick it up at the end of the day.
- Students who have cell phones that may go on due to a program correction by their carrier need also to submit their phone to the office, or they will be held responsible if the phone goes off.
- Students are NOT permitted to use their cell phone at any time on NECA property unless given permission by staff or if they are dismissed and outside of the building.
- If any of the above are not followed, the phone will be confiscated, the parent/guardian will need to pick it up in the office and two detentions will be issued.
