PRE-PAYMENT OPTION

Parents interesting in paying the full tuition balance by July 29, 2011, may receive a 5% tuition discount off tuition (see chart below). **The enrollment and curriculum fees are additional and are not eligible to receive the 5% discount. All tuition, re-enrollment and curriculum fees are due by July 29, 2011 to be eligible for the tuition discount.**

Elementary Tuition	\$4,360.00
Elementary Tuition with 5% discount	\$4,142.00

Middle School Tuition with 5% discount	\$4,284.00

If you have more than one child attending N.E.C.A., you may choose to pre-pay one tuition and set up on F.A.C.T.S. tuition withdrawal account for another. Please note however, that the 5% discount would only apply to the child's tuition that you fully pre-pay. If you have any questions, feel free to call Joyce Pratt at (508) 676-3011.

I plan to pre-pay by July 29, 2011 the entire tuition and fees for the following children:
