Dear Parents,

Re-enrollment time is upon us. We thank God for each student that He has guided to New England Christian Academy and for His continued provision upon our families and staff. We thank you for your ongoing support and know the tremendous sacrifice it takes to enable your children to receive a wonderful Christian Education. It is our desire to help them meet their full potential, both spiritually and academically, and to encourage them to develop and use their gifts and abilities to bring glory to God.

It is our sincere hope that your family will continue to be part of our school. Please look over the enclosed re-enrollment packet and contact the school office to obtain financial assistance information or to address any questions or concerns you may have. Please return your completed re-enrollment forms by April 4<sup>th</sup>.

This coming year, we are pleased to announce a revision to our "Sold On NECA" policy. In the past, we credited \$500 to parents who recommended a family to NECA, which resulted in that student being enrolled for at least 6 months of the school year. Previously, this credit was granted once per year per family recommended. With the new enhancement to the policy, a credit of \$500 will be provided per each child recommended, who remains for at least 6 months. The number of recommendations/credits allowed will be unlimited! Here is how it works. Suppose you recommend 3 students, regardless of whether they are of the same family, to NECA for the school year 2011-2012. That would be  $500 \times 3 = \$1500$ , which would be credited to your account for the 2012-2013 school year, credited on a monthly basis. If you are fortunate enough to generate income over \$600 through this program, the IRS mandates that we send you a 1099 tax form (this would be for the year 2013). The good news is this is independent of any financial aid you might receive! We are excited about the new "Sold On NECA" policy and look forward to helping you reduce your tuition.

Love in Christ,

Pastor Frederick A. Poulin
