June, 2011

Dear Parents:

It's hard to believe, but it's already the time of year to think about Summer Reading. Students entering grades 1 through 4 are required to complete the "Vacation Station" colorful workbook. These workbooks will help them retain what they have learned in their previous school year.

You may order this material by phone, mail or fax. If you call in your order, be sure to ask if there is a "Monthly Special" discount rate. They have many different specials throughout the summer, and one may apply to you. The books are only available by ordering them directly through Bob Jones University, and will not be available at school.

Please be aware that the completed books are to be handed in on the first day of school and will count as a test grade in Reading. If you have any questions, please call the school office.

Have a great summer of learning.
